OUTSOURCING Inc.

OTS Inc. concluded The Regional Monitoring Agreement with Funabashi City

OTS Inc. (Head Office: Yokohama city, Kanagawa; Representative Director: Kunihiko Maki; hereinafter "OTS"), a group company of OUTSOURCING Inc. (Head Office: Chiyoda-ku, Tokyo; Representative Director: Takayuki Yamazaki) concluded the "Cooperation Agreement for Funabashi City Regional Monitoring Project" with Funabashi City, Chiba Prefecture (Mayor: Toru Matsudo, hereinafter "Funabashi City") on Wednesday, March 12, 2025.

OTS provides various human resource support services, focusing on logistics, office services, municipalities, and public works. Additionally, OTS conducts operations in Funabashi City. In the past, when OTS staff detected anomalies in users' living conditions, they promptly cooperated with the city, and the purpose of this agreement is to strengthen these efforts.

At the signing ceremony, Mr. Maki, Representative of OTS expressed his aspirations, "I am confident that this agreement will provide an even safer living environment for everyone in this city. We want to continue working not just as 'staff' but as members of the community in our daily operations." Additionally, Mr. Matsudo, Mayor of Funabashi City offered words of encouragement, "I want to reaffirm the importance of monitoring services and look forward to their active role. I also have high expectations for OTS's diverse businesses."

Funabashi City is promoting the creation of a community where people, from children to the elderly, can live safely without isolation. OTS will strive to contribute to building a safe and livable city together with Funabashi City and its citizens.

■About the Regional Monitoring Agreement

This agreement goes beyond operations and plays a role in developing safety and security initiatives rooted in the community. This is the eighth regional monitoring agreement that OTS has concluded in cooperation with municipalities, including designated cities such as Sapporo, Yokohama, and Kyoto. There is an instance that OTS staff in Yokohama noticed an anomaly with a resident, leading to a life-saving rescue through prompt reporting in the past. OTS will continue to contribute to the local community.
